

# RECYCLING BINS

We have teamed up with Sustainable Sibbertoft to collect some specific items that are not easily recycled by our normal local authority collection. The bins are located in the bus shelter on West Street. The collection boxes will be checked daily and full boxes will be taken for recycling by volunteers. If you would like to volunteer to pass on a bag of recycling, please get in touch. Please only deposit items listed below as the onward collection may be rejected by the recycling agent if it is thought to be 'contaminated' Please do not use the bus shelter to leave other items not listed.
